

**FREE
Business
Forum!**

Trying to get to the next level of your business success?

Learn valuable real-life business and technology skills to learn about, start, or grow a business.

The main focus will be on core businesses competencies of Finance, Marketing, Operations and Communications. Having a deep understanding of how these competencies work within business is key to better success!!

Meet Israel S. Dominguez, Director of Economic & Workforce Development at Saddleback College.

Mr. Dominguez serves as the primary external workforce and training representative of the college to agencies, consortia, industry partnerships, and regional workforce groups throughout the region. He is responsible for cultivating and promoting positive and substantive relationships with local business and industry. He was formally the Director of Business & Entrepreneurship at Cuesta College in San Luis Obispo County.
